PROGRAMS

Group Adult Foster Care (GAFC) Program

A MassHealth program designed for disabled and elderly individuals (ages 22 and over) who prefer to live independently at home but require assistance with personal care needs. The program aims to enhance overall health and safety through supervised care. A **Behavioral Health** diagnosis only needs reminders, supervision or cueing to qualify for GAFC program.

Adult Foster Care (AFC) Program

A MassHealth program that target disabled and elderly individuals (ages 16 and over) who can no longer live alone and prefer a family-like setting in the community over institutional care. CCH provides training and supervision for caregivers who offer 24/7 support.

Private In-Home Care

Direct care services tailored for individuals outside the MassHealth programs who need assistance with ADLs and IADLs to remain independent at home.
